SUBJECT: DAKAR: EMERGENCY ACTION COMMITTEE (EAC) MEETING

1. (U) The DCM convened the EAC on September 13, 2006, to review mission security posture due to an increase in violence in the Casamance area and petty theft in Dakar. The EAC deemed the current security posture appropriate in Dakar. In light of recent banditry and rebel activity in the Casamance, the EAC recommended limiting nonessential travel north of Ziguinchor in the Ziguinchor region.

2. (SBU) The EAC agreed that a warden message pertaining to these topics should be issued. Additionally, RSO will issue a Security Notice underlining the need for increased vigilance while in Dakar.

3. (U) Dakar's EAC will continue to monitor the local situation, maintain liaison with host-government police and security officials, and reconvene as appropriate.
